

Mourne Rambling Group Photographic Competition

The photographic competition is now open for submissions (members of MRG only). The competition has two categories; Landscape and People. Submissions can be either colour or monochrome, all photos must be in the Mourne AONB. Members are invited to submit two photographs for each category of Landscape and People. There will be separate colour and monochrome awards.

Photograph submissions should be in digital format and not greater than 300 ppi. Please email your submissions to both Harry Goodman and Rennie Gribbin, this will ensure back-up copies are in place.
